

# Caleffi Quality Program

## Grow Your Sales and Profits with the Caleffi Quality Program

Caleffi Products are the best in Quality and we back them with a great warranty as well as a great incentive Program! Here's how it works.

### **Join us at the Gateway Lodge**

Many of the Caleffi Products we sell are featured in our Beat the Heat and Beat the Cold Parts promotions. Your purchases of these items count towards your free weekend at the Gateway Lodge in beautiful Land O Lakes, Wisconsin. Come play with us! There are endless activities that you can participate in or you can just relax and have a couple of great meals on TSI. See the Beat the Heat or Beat the Cold promotional books for more details.

### **Earn a Growth Incentive for Buying Caleffi Products**

Grow your sales with Caleffi products and earn a growth incentive based on your purchases. If you grow your Caleffi Purchases over 2005 levels, TSI will credit your account for percentage of your growth. Here are the details:

<u>Growth Target</u>	<u>Rebate %</u>
5%	1.0% of growth
10%	1.5% of growth
15%	2.0% of growth

Program runs from 12/1/2005 to 11/31/2006. Growth Targets are over 2005 purchase levels. Incentive Rebates will be credited to your account in December 2006. Contact your Territory Manager for your 2005 purchases and to participate in this program.
